

# Jeremy Kay, Have It All

Some days I feel like crying  
It don't matter if it's rain or shine  
I feel like my heart was broken  
At least a million times

Some days I wake up dreaming  
Feels like I've never even woke  
I answer life's big questions  
As if it's one big joke

Maybe it's too soon to be sure  
But I really do believe that someday  
We're gonna have it all  
So I try to hard to keep the rhythm of a train  
Rolling right along  
When the ride gets rough you got to carry on  
Carry on

Some days I feel like singing  
I sit back and just groove the day away  
Maybe pick up a guitar  
And play what I want to play

Maybe it's too soon to be sure  
But I really do believe that someday  
We're gonna have it all  
So I try to hard to keep the rhythm of a train  
Rolling right along  
When the ride gets rough you got to carry on  
Carry on

Today I feel like laughing  
Seems to be no reason at all  
And if the world stops spinning  
I'm not afraid to fall

Maybe it's too soon to be sure  
But I really do believe that someday  
We're gonna have it all  
So I try to hard to keep the rhythm of a train  
Rolling right along  
When the ride gets rough you got to carry on

Maybe it's too soon to be sure  
But I really do believe that someday  
We're gonna have it all  
So I try to hard to keep the rhythm of a train  
Rolling right along  
When the ride gets rough you got to carry on  
Carry on
