

Jeremy Spencer, Don't Go, Please Stay

Written by jeremy spencer.

Don't go, I'm askin' you to stay, don't go.
Don't go, I'm askin' you to stay,
Just a little while longer - you really don't have to go away.

Please stay, now just because I told you to, please stay.
Please stay, now just because I told you to,

Just stay because you love me - I'll do anything for you.
Yeah

Break: (12 bar)

Baby, this is more than I can bare, baby.
Oh baby, this is more than I can bare.
I give you lovin' any time - anyplace or anywhere.
