

# Jeremy Spencer, Sunshine

Written by jeremy spencer.

You were looking for the sunshine  
High up above,  
I saw you in ther window crying.

I was standing on the outside  
As I caught your eye  
How could you think that I could let you down.

(chorus)  
Your fired eyes look so weary

Oh girl, why do you hide  
To hold you close, I need you near  
Oh girl, stay by my side.

Then I looked & saw the sunlight  
Breakin' in through the clouds, now  
I just wanna see it shine in your heart

(chorus)  
Your tired eyes look so weary  
Oh girl, why do you hide  
To hold you close, I need you near  
Oh girl, stay by my side.
