

Jeremy Spencer, The Shape I'm In

Written by cathy, blackwell.

Intro:

I can't go, I can't stay
It's sure fun, a this way
I ain't never been - in the shape I'm in.

I can't sit, I can't stand
I just feel, so bland
Hopin' it'll never end...umm, the shape I'm in

You tell me no, you tell me yes
And you keep my mind erect
I'm not gonna ever rest - I'm gonna get you yet

I feel good, I feel bad
I feel happy, I feel sad
But I'd love you all over again
I love being in the shape I'm in
