

Jericho, I Think I'm In Love (Kristine Hermosa's S

Is this love, feeling restless inside
Wanting you, to always be by my side
I dont even want you out of my sight
You are in my thoughts all day, and night
I cant get you our of my mind
I think im in love

Chorus:

I think i'm in love, I think i'm in love... with you
Every single day, every single night, every single moment of my life
I want to spend them all with you
I think i'm in love, I think i'm in love... with you
Tell me that you care tell me please, tell me that he wants to feel
The way that I do

Can't describe, words are just not enough, cant explain
It all happened so fast, what exactly am I feeling right now
If this is love I got to know somehow, how long will this madness will last
Cause I think im in love

Chorus:

I think i'm in love, I think i'm in love with you
every single day, every single, night every single moment of my life
I want to spend it all with you
I think i'm in love, I think i'm in love with you
Tell me that you care, tell me please, tell me that he wants to feel
The way that I do.....I think i'm in love.....
I...think.... i'm in.....love
