

Jericho Jones, Champs

We all get older singin' the sad song
'Cause you are runnin'
A lonely nights and rainy deserts
They use the sirin'.

A-lookin' we're go all livin' in the dark
And knowin' nothing
Old times is after use sweet song
Just keep on shinin'.

Have you ever seen the sun
As the body gets be dark?
Have you ever seen the sun
As the body gets be dark?
Have you ever seen the sun
As the body gets be dark?
Have you ever seen the sunshine?

Keep on shinin'...
