

Jericho Jones, Featherbed

When I was lyin'
When I was cryin'
In my featherbed alone
In my featherbed alone
Feel like I'm miles away from home.

When I was dreamin', dreamin', dreamin'
When I was schemin', schemin'
In my featherbed alone
In my featherbed alone
Feel like I'm miles away from home.

When I was dreamin', dreamin', dreamin'
When I was screamin', screamin'
In my featherbed alone
In my featherbed alone
Feel like I'm miles away from home.

Inside my head tiny fears
Inside my head tiny dreams
(Feelin' like I'm miles away from home
Yeah, yeah, yeah, yeah).

So I was dyin', dyin'
So I was cryin', cryin'
In my featherbed alone
In my featherbed alone
Feel like I'm miles away from home.
