

Jericho Jones, Mona Mona

I can see her, Mona Mona
Now she's comin', Mona Mona.

Outside my window
She is passin' on the way
Watchin' her eyes
Shinin' light in summer's day.

Ev'ry move of Mona Mona
Make some bad with Mona Mona.

I just wonder
If she's really don't ever be
Watchin' her eyes
Shinin' love of all my dreams.

I can see Mona Mona
I can see Mona Mona
I can see Mona Mona,
Mona Mona, ay.

Outside my window
She is passin' on the way
Watchin' her eyes
Shinin' light in summer's day.

I can see Mona Mona
I can see Mona Mona
Yes, I can see Mona Mona,
Mona Mona, ay.

I can see her, Mona Mona
Now she's comin', Mona Mona
I can see her, Mona Mona
Now she's comin', Mona Mona.
