

Jericho Jones, No School Today

Stars are turnin' back in grey
And someone talk me some things on the way
People runnin' 'round and 'round
Then hidin' on the ground, today's no day.

Someone talk me some things on the way
Someone talk me some things on the way
Someone talk me some things on the way.

Stars are turnin' back in red
And ev'ryone is gonna lose his hair
Gotta feelin', oh, so strong
And it won't be so long into today.

Ev'ryone is gonna lose his hair
Ev'ryone is gonna lose his hair
Ev'ryone is gonna lose his hair.

You can hear the children laughin'
You can see them cryin' too
You can see them walkin'
On the way back home
On the way back home.

No school today
No school today
No school today
No school today.

All the kids are sleepin' now
Now until forever
You can see them dreamin'
On the way back home
On the way back home.

No school today
No school tomorrow
No school today
No school tomorrow.

This is just a dream we had
There's nothing left to say, no more to tell
This is just a dream we had
A dream we didn't worked out what so well.

Nothing left to say, no more to tell
Nothing left to say, no more to tell
Nothing left to say, no more to tell.

"Come on, little Jimmy, go on to play today."
