

Jericho Jones, There Is Always A Train

I can find a train
In the afternoon
No need to explain
I'll be leavin' soon.

Take me away
I'll be leavin' soon
Take me away
In the afternoon.

You can take my place
If you want it to
I can heart my face
It's not hard to do.

Take me away
It's not hard to do
Take me away
If you want it to.

Who win is never mind
Life's leavin' you behind.

Hey, hey, hey, hey
Oh, yeah
Got myself a train
Hey, yeah, hey, hey.

I can find a train
On the evening line
No need to explain
'Cause I need the time.

Take me away
'Cause I need the time
Take me away
On the evening line.

Hey, hey, hey, hey
Oh, yeah
Got myself a train
Hey, yeah.
