

# Jericho Jones, What Have We Got To Lose

What have we got to lose?  
We've already losin' our mind  
What have we got to choose?  
We've already chosen the life.

Choosin' all the lives comes naturally,  
Naturally as anyone can see  
A-choosin' all the lives comes naturally  
We can only lose reality.

What have we got to lose?  
The place of the man in the time  
What have we got to choose?  
The places they talkin' aloud.

Talkin' very loud comes naturally,  
Naturally as anyone can see  
A-talkin' very loud comes naturally  
We can only lose reality.

What have we got to lose?  
We've already losin' our mind  
What have we got to choose?  
We've already chosen the life.

What have we got to lose?  
We've already losin' our mind  
What have we got to choose?  
We've already chosen the life.
