

Jerk, Say It

What did you say? I couldn't hear ya from the other room, what did you say? C'mon TELL ME TELL ME TELL ME you tell me what you really think what could that mean? SAY IT JUST SAY IT If you got something to do do it, if you got something to say fucking say it SPIT IT OUT What did you say? C'mon say that then? You should think before you try to speak Don't walk away now I'm not FINISHED NOT FINISHED prove prove it If you got something to do DO IT! If you got something to say then fuckin' say it SPIT IT OUT saying is that I always seem to let you down, well I'm sorry. Fuck it just fuck it. So what you're saying is that I let you down, it's so easy, Ahhhh fuck it just fuck it. I can't hear you when you're talking to me.
