

# Jermaine Jackson, Do You Remember Me

Don't judge by what you see  
There's a softer part of me  
Girl, my life has been so cold  
There were times I needed you so  
Do you remember me  
I'm the one who loved you long ago  
Do you remember me  
From the days when our hearts were young  
Look deep into my eyes  
There's a glow you'll recognize  
Girl, I can't change the wrong that I've done  
Time can't erase the love that we know  
Do you remember me  
I was the one  
I was the one who loved you long ago  
Do you remember me  
From the days when our hearts were young  
Do you remember me  
I'm not a stranger, girl  
More than just a member  
Do you remember me  
I was the one who was wrong no doubt about it  
I was the one who broke all our dreams in two  
I was the one who could I never forget about you  
Do you remember me  
I was the one  
I was the one who loved you long ago  
Do you remember me  
From the days when our hearts were young  
Do you remember me  
I'm not a stranger, girl  
More than just a member  
Do you remember me
