

# Jermaine Jackson, Let's Get Serious

Close my eyes, and I see your face at night  
Toss and turn, fall to sleep holding my pillow tight

All the time I think of you, you're with me no matter what I do

Walk around with a smile upon my face,  
In my mind, you have taken up permanent space

I am feeling what I can't explain, and if what you're feeling is the same

Let's get serious  
Let's get serious  
Let's get serious, and fall in love

Let's get serious  
Let's get serious  
Let's get serious, and fall in love

S.E.R.I.O.U.S.  
baby let's get serious  
yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh

In your arms is the place I wanna be  
With my love in you, and your love inside of me

Longing for each other just ain't fair  
When we've got so much we wanna share

Let's get serious  
Let's get serious  
Let's get serious, and fall in love

Let's get serious  
Let's get serious  
Let's get serious, and fall in love

Let's get serious  
Let's get serious  
Let's get serious, and fall in love

Let's get serious  
Let's get serious  
Let's get serious, and fall in love

Both of us feel like exploding, 'cos this stuffs too hot for holding

Let's get serious and fall in love

Girl you've got my body moaning, just believe it's ment for cloning

Let's get serious and fall in love

Serious, (oh) serious  
Let's get serious, and fall in love.
