

# Jermaine Jackson, You're Supposed To Keep Yo

What are you doing out there baby,  
Messin' 'round with all the guys,  
What are you doing out there playing,  
Aren't you supposed to be mine,  
What are you doing out there baby,  
That ain't the way it's supposed to be,  
because, you're, you're supposed to keep your love for me

What are you doing out there sugar,  
Trying to bring my spirit down,  
Because I've heard that you've been sneaking,  
Around with every guy in town,  
What are you doing out there baby,  
You're acting like you're fancy free,  
When, you're, you're supposed to keep your love for me  
(so keep your love for me)  
da da da da da da da da da da (4x)

Sooner or later I'm gonna leave you,  
Though I've said this many times before,  
And on the day you least expect it,  
You'll find me walking out the door,  
What are you doing out there baby,  
I guess our love will never be,  
Because, you, you don't wanna keep your love for me  
(say it one more time)  
You, you don't wanna keep your love for me  
(when all the time)  
You're, you're supposed to keep your love for me  
da da da da da da da da da da ('til end)
