CHORUS

FADE

He don't love you like I love you If he did, he wouldn't break your heart He don't love you like I love you He's try-in' to tear us apart Fare thee well, I know you're leavin' (I know you're leavin') For the new love that you've found The handsome guy that you've been dating, whoa I got a feelin' he's gonna put you down 'cause **CHORUS** He uses all the great quotations Says the things I wish I could say Whoa, but he's has so many rehearsals Girl, to him it's just another play but wait When the final act is over And you're left standing all alone When he takes his bow and makes his exit Girl, I'll be there to take you home He don't love you (and he never will) like I love you If he did, he wouldn't break your heart Oh, he don't love you, girl, like I love you He's try-in' to tear us apart Whoa, he don't love you
