

# Jerry Cantrell, My Song

She won't tell me lies  
She want to see me smile, yeah  
Every time you let it show  
I didn't want to know  
By the time I had lost my soul  
You had to go  
She come, in disguise  
I want to say goodbye, yeah  
Every time I let it show  
You didn't want to know  
By the time I had lost my soul  
You had to go  
You had to go  
Love's strong, mine gone  
Still have the time to sing my song  
Love's strong, mine gone  
Still have the time to sing my song  
Still have the time to sing my song  
Still have the time to sing my song  
She got her own way  
Same as yesterday, yeah  
Every time you let it show  
I didn't want to know  
By the time I had sold my soul  
You had to go  
You had to go  
Love's strong, mine gone  
Still have the time to sing my song  
Still have the time to sing my song  
Love's strong, mine gone  
Still have the time to sing my song  
Still have the time to sing my song  
Still not a crime to sing my song
