

# Jerry Lee Lewis, Hallelujah I Love Her So

Let me tell you bout a girl I know she's my baby and she lives next door  
Every morning fore the sun comes up she brings me coffee in my favorite cup  
That's why I know yes I know hallelujah I just love her so

When I'm in trouble and I need a little friend  
That woman she stricks by me to the end  
Now you ask me how do I know I smile at you and say she told me so  
That's why I know yes I know hallelujah I love her so

Oh now when she call me on the telephone and tell me baby I'm all alone  
By the time I count from one to four to hear me knockin' upon her door  
In the evening fore the sun goes down ain't nobody else a hangin' around  
She kisses me and holds me tight and tells me pretty baby everything's all right  
That's why I know yes I know hallelujah I just love her so
