Intro: Instrumental & piano

Alright, hey-hey
Alright-mama, all night

Tell your mama, tell your pa
I'm gonna send you back to Arkansas
Alright, hey you don't do right
Don't do right, baby?
You just don't do your livin' right

Hey, see the girl with the diamond ring?
Good God, she knows how to shake that thing
Hey-hey
Hey, shake it girl
Shake that thing

<Instrumental & piano solo>

Oh, look it at the woman with the diamond ring
Good God, she can shake it, she can shake it
Break a thing
Alright

Woooo-hey-hey
Alright, whoa-oooh-oooh

What'd I say?
What'd I say?
What'd I say? yeah
What'd I say?
What'd I say?
What'd I say?

I wanna know
Honey, I wanna know
I wanna know
Honey, I wanna know
I wanna know
I wanna know, now

<Instrumental & piano solo to end>

Whoa!
