When I Get Paid
(Shead, Wilbon)
Jerry Lee Lewis
Album: The Sun Essential Collection

A-well, I work a-hard everyday-hey
Can't hardly wait to draw my pay
It's Monday mornin' and I'm on the job
Doin' the same old thing I'm just a-workin' hard

Um-hm, Tuesday evenin' I'm at it again
Ain't had no rest since I don't know when
Wednesday mornin', I can't hardly see
Maaan, this work is killin' me!

Thursday mornin' I just can't make it

Well, I don't know how long this boy can take it-a

Now let's go, shake it honey!

<Instrumental>

The saxaphone now!

<Saxaphone solo>

Oh well-a I work hard everyday-hey
Can't hardly wait to draw my pay
It's Monday mornin' and I'm out on the job
Doin' the same old thing, I'm just-a workin' hard

Tuesday evenin' I'm at it again
Ain't had none of that rest since I don't know when-a
Wednesday mornin', can't hardly see
Maaan, this work is killin' me.
