

# Jerry Reed, I Should Stayed Home

Son,  
Well way down in the Okahanachi Swamp;  
Is where old lady Wiggwamp made  
her juu-juu juicy fruit stomp.  
I went to see her last night,  
tripped and fell in right into the  
alligator boo-koo-dee-doo-bamp!  
Put the hammer down, son!

I knew right then and there;  
I should stayed home.  
I should never left house,  
Should just sit polite like,  
hands folded in lap!

Son!  
Well, old lady Wiggy-wamp,  
a pork-a-pork-achop!  
Don't stop the pork chop stampy stomp!  
Son, heh-he!  
Hee-haw!  
Give me a cigarette.  
Please?  
Nooo!  
Contempt of court!?!  
What happened?  
Awww, man.  
I should stayed home.
