

# Jerry Reed, Texas Bound And Flyin'

Well if I can keep it on the ground  
when I put that hammer down  
then I'll be Texas bound and aflyin'

Ive got my 10 in the wind  
let it all hang out again  
Cause how're you gonna win  
if you ain't trying

Well now we're all back together  
and we're burnin' up the road  
and that old sheriff's doggin' us today  
He thinks he's really got it cookin'  
plans to do a lot of bookin'  
only trouble he keeps lookin'  
where we've already been!

So if I can keep it on the ground  
when I put that hammer down  
then I'll be Texas bound and aflyin'

Well if I can keep it on the ground  
when I put that hammer down  
then I'll be Texas bound and aflyin'

Ive got my 10 in the wind  
let it all hang out again  
Cause how're you gonna win  
if you ain't trying

Now 'Smokey and the Bandit'  
is a tale you don't forget  
everytime you time your hear  
an engine scream and whine  
You have to think about ol' Bandit,  
ol' Buford, Frog, and Fred, and Snowman  
Their story is a legend  
that will live on in time!

So if I can keep it on the ground  
when I put that hammer down  
then I'll be Texas bound and aflyin'
