

# Jerry Reed, You Wouldn't Know A Good Thing

If you put your mind to it and you try just a little bit  
Well I know you could be the biggest fool of the world  
You had yourself quite a woman the kind you don't find everyday  
And just like a fool son you love her get away  
You wouldn't know good thing if it came around  
You wouldn't know a good thing if it knocked you down hmm

I hate to say that you're a fool but there's gonna come a time when you'll  
Curse the day you let her love slip through your hands  
Waitin' till you try to find someone to take the place of her  
That's when you'll find out son how big a fool you were  
You wouldn't know good thing...
