

JERUB, There Till The End

Little high a little low
Everything thing in between
When you're caught in the cold and you can't
find your feet
If you're losing control and you're low on
belief
Just put it on me put it on me
Put it on me

I will be there when it's hard to stand
I will never let you go

When you're lonely, and you're needing a
friend
You can call me, I'll be there till the end
When you're falling and you don't understand
You can call, you can call me
I'll be there till the end

I've been broken before
I've been down on my luck
Had my heart on the floor
And I couldn't get up
Your smile was my hope
Brought me out of the blue
You let me put it on you, put it on you

I will be there when you need a hand
I will never let you go

When you're lonely, and you're needing a
friend
You can call me, I'll be there till the end
When you're falling and you don't understand
You can call, you can call me
I'll be there till the end
