

# Jerzee Monet, Work It Out

[Talk]

Hello

Hey baby

Hey look

Dinner'll be ready at 8

If your not gonna be on time

Call me okay

I know I know

But you know how you sometimes forget to call

Then I be worried

[Jerzee]

Dinner date

Always late

Didn't get a phone call

I cook

Clean

Pay bills

Still I make it home

What's going on boy

Between me and you

We don't talk no more

Kiss no more

Don't know what to do

But

[CHORUS]

I don't wanna fight no more

Stayin up at night no more

This ain't feelin right no more

Let me know, can we work it out? (Can we work it out)

I don't wanna hurt no more

This ain't gonna work no more

Wanna make love no more (I don't wanna make love no more)

Let me know

Can we work it out

[Jerzee]

We both know that

When we fight no body wins

If I give in

Will you give in

So we can make amends

There's sometimes when I feel rough

Makes me wanna cry

I'm willin to put away my pride

I wanna make it right

[REPEAT CHORUS 2x]

I just wanna work it out

[REPEAT TO FADE WITH CHORUS]
