Double R gots
It's your life
Run your own game
Know your own game
Live your own game

Let them know you doing your thing
And you don't need nothing

[Chorus]

[Hook]

I don't need no body but myself
I can stand on my own, on my own
Baby, I don't need no body but myself
I can stand on my own, on my own

[Eve]

Uh uh uh yeah
Hold up
C'mon
Listen up playboy
I'm like the pick of the litter
And if I wanna cop it from what shines and glitters
I do it all from my bills to toys in the mall
And I ain't sayin I'm perfect
But there ain't too many flaws dawg
Don't get offended
Cause I'm livin happily
And just cause I got it
Don't mean you can't pamper me
Accept gifts but that don't put a stamp on me
Feel me baby on it wit BC and Jerzee
Yeah

[Chorus and Hook]

[Repeat to fade]

Say
YEEEEAAH!
