

Jesca Hoop, Silverscreen

Stolen crown
Pillow down
All tangled in my hair
Evening gown
The lights downtown
All dangle in the air

Chorus:
The gates of heaven open
And there is me
On the silverscreen
I hope they did good editing

Bell and beau
Buck and doe
A love of tender age
Jill and Joe
Dosy do
A tragedy on stage

(Chorus)

Bye, bye, baby, bye, bye
Hello to my beautiful mind
Bye, bye

Crystal ball
Padded walls
A bright blue t.v. glare
A moth to light is as lost as i'm found
Far down cellar stair

(Chorus)

Bye, bye, baby, bye, bye
