

# Jesse James, Dear Jesus

Ahhhhhhhhhhhhhh  
Ahhhhhhhhhhhhhh

(Hi this is Jesus  
I can't get to the phone right now  
But if you leave a message after the tone  
I'll get right back to you)

Beep

Dear Jesus  
I don't believe in you no more  
Dear Jesus  
I think you should know the score  
I never met you  
Cos you lived a long long time ago  
Not to upset you  
But there's not a lot to know

Born in a stable  
Is the story we were told  
He had a beard  
And you wore a lot of shitty clothes

He walked on water then you held a kickin' party on the beach  
And the people gathered round to watch you talk and hail and preach  
But the bunch of pretty fishers turnin' water into wine  
Sure I'd be a true believer if I'd been there at the time

Dear Jesus  
I aint buyin' all this shit  
Dear Jesus  
I dont want no part of it  
Don't know what you had in mind, but I'm sure it wasn't this  
I met a couple of cool Christians, but the Rev's just take the piss  
They it's awful to be gay, cos there aint no family  
And they made you give them money when you see them on TV

Ohhhhhhhhhhhhh Jesus!  
Looks like we're gona hafta throw things down the old school way!  
What my mum said, Bring it on!

Dear Jesus, el Presidente  
Declared war on them today  
He read the Bible, evidently  
And your Dad says it's ok

Like this guy lives on my block  
He's such an asshole to my mom  
And he flips off all the Muslims  
Like their doin' somethin' wrong  
I know plenty other dicks like that  
But this just makes it worse  
He thinks he is so much better  
Just because he goes to church

Dear Jesus  
Dear Jesus

If you come back just like you said you would  
I know that we could chill  
But these days we need some evidence  
To show that your for real

Dear Jesus  
Dear Jesus  
Dear Jesus

I hope you got my message when your back if you can  
If you even leave tonight, it's means I'm your number one fan
