

Jesse McCartney, Freaky

Madd Scientist

Now don't you even act like you don't wanna get up
You better get out on the dance floor, show me what you got
'Cause I don't even want too much, just for y'all to understand
A party ain't a party if I'm not in the party so I need to see some hands

All I really need to know is that you came to the party to enjoy yourself
You left your stress and your worries back at home on the shelf
And let's get freaky hey, oh
Freaky hey oh hey
Freaky hey oh hey
Freaky hey oh hey
Freaky... freaky

Make sure the DJ puts this song on and turn it up
And keep it movin' all night long 'til the sun come up

Oh oh oh oh

All I really need to know is that you came to the party to enjoy yourself (yourself)
You left your stress and your worries back at home on the shelf
And let's get freaky, hey, oh
Freaky hey oh hey
Freaky hey oh hey
Freaky hey oh hey
Freaky... freaky

All I really need to know is that you came to the party to enjoy yourself
You left your stress and your worries back at home on the shelf
And let's get freaky hey, oh
Freaky hey oh hey
Freaky hey oh hey
Freaky hey oh hey
Freaky... freaky

Oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh

All I really need to know is that you came to the party to enjoy yourself
You left your stress and your worries back at home on the shelf
And let's get freaky hey, oh
Freaky hey oh hey
Freaky hey oh hey
Freaky hey oh hey
Freaky... freaky

And let's get freaky hey oh hey
Freaky hey oh hey
Freaky hey oh hey
Freaky hey oh hey
Freaky... freaky, uh
