

# Jesse McCartney, Why Don't You Kiss Her?

We're the best of friends  
And we share our secrets  
She knows everything  
that is on my mind  
Lately something's changed  
As I lie awake in my bed  
A voice here inside my head  
softly says

(chorus)  
Why don't you kiss her  
Why don't you tell her  
Why don't you let her see the feelings that you hide  
Cause she'll never know  
If you never show the way you feel inside

Oh, I'm so afraid  
To make that first move  
Just a touch and we could cross the line  
And every time she's near  
I wanna never let her go  
Confess to her what my heart knows  
Hold her close

(chorus)  
What would she say  
I wonder would she just turn away  
Or would she promise me that she's here to stay  
It hurts me to wait  
I keep asking myself

(chorus)  
Why don't you kiss her (tell her you love her)  
Why don't you tell her (tell her you need her)  
Why don't you let her see the feelings that you hide  
Cause she'll never know  
If you never show  
The way you feel inside

why don't you kiss her
