

# Jessi Colter, You Mean To Say

You mean to say you're goin' a go an' leave me  
You mean to say that it would be that easy  
You mean to say that's you I see, walkin' away

What'd I say What'd I do wrong  
Could it be I stayed here too long  
You mean to say you'd walk away from me

You mean to say the love we knew  
Is now at an end, is now at an end  
You mean to say a walkin' away,  
We'll never love again, we'll never love again  
Okay, okay, you must be going,  
But you don't go before I'm knowing  
What'd I do to make you change your mind

You mean to say the love we knew,  
Is now at an end, is now at an end  
You mean to say a walkin' away,  
We'll never love again, we'll never love again

We'll never love again  
(repeat and fade)
