

# Jessica Andrews, God Don't Give Up On Us

Who will with the holy war  
Can you tell me what they're fighting for  
And do you look down in disgust  
God don't give up on us

Mother Nature's ashamed and bruised  
All her precious gifts abused  
Her forest burns, her rivers rust  
God don't give up on us

Don't give up on me  
Don't give up on love  
Nothing loved is ever lost  
God don't give up on us

We hold our babies in our arms  
And pray you'll keep them safe from harm  
In a world that's so unjust  
God don't give up on us

Don't give up on me  
Don't give up on love  
Nothing loved is ever lost  
God don't give up on us

For every bullet fired, for every soul  
That's lost  
Forgive our dark desires and the pain  
We've caused  
Please don't close your eyes, to the part of us  
That's beautiful...still beautiful

How can we regain your trust

God don't give up  
God don't give up on us
