

Jessica Andrews, I Don't Like Anyone

Suki says we're all downtown
So, what's my problem
I don't wanna socialize
Why don't they leave me alone?
Bad boys, jealous girls
Been there, done that
I just wanna fantasize
Ah, ah, ah, ah, ah, ah
Starin' at the ceiling thinking about you
Ah, ah, ah, ah, ah, ah
It's a freaky feeling
What can I do?

I don't like anyone
The way I like you
I don't go anywhere
If you're not there too
It's not as if I'm hard to please
You're the only one good enough for me
Those others just won't do
I don't like anyone but you
You

They think I'm a little obsessed
Up here sending mental telepathy
I'm concentrating on you
I wanna give you everything
But if I do will you think less of me?
Ah, ah, ah, ah, ah, ah
Everybody else is just a waste of my time
Ah, ah, ah, ah, ah, ah
Baby, can't you tell we're two of a kind?

I don't like anyone
The way I like you
I don't go anywhere
If you're not there too
It's not as if I'm hard to please
You're the only one good enough for me
Those others just won't do
I don't like anyone but you

Ah, ah, ah, ah, ah, ah
Starin' at the ceiling thinking about you
Ah, ah, ah, ah, ah, ah
It's a freaky feeling
What can I do?

I don't like anyone
The way I like you
I don't go anywhere
If you're not there too
It's not as if I'm hard to please
You're the only one good enough for me
Those others just won't do
I don't like anyone but you
Anyone but you
Anyone but you
