

# Jessica Andrews, Why'd You Have To Go & Make

(wally wilson/sharon vaughn/tom shapiro)

There's moonlight on the trees  
Paintin' silver on the leaves  
It's so beautiful out here  
I just had to stop and stare  
That's unusual for me  
I had a happy heart of stone  
No voice to answer but my own  
Now I want more from the night  
Since you waltzed into my life  
You couldn't leave well enough alone

Why out of all the people in this world  
Why did you set your sights and single out this girl?  
Oh, why did you have to go and make me love you?  
Why'd you have to go and make me  
Why'd you have to go and make me love you?

In an instant sweet and strange  
Everything about me changed  
Whether I want to or not

I come to you with all I've got  
And I'll never be the same

Why out of all the people in this world  
Why did you set your sights and single out this girl?  
Oh, why did you have to go and make me love you?  
Why'd you have to go and make me  
Why'd you have to go and make me love you?  
Tell me why  
Why'd you have to go and make me  
Why'd you have to go and make me love you?

Maybe this is just a dream  
Or maybe this was meant to be  
I just pinch myself and wonder why

Why out of all the people in this world  
Why did you set your sights and single out this girl?  
Oh, why did you have to go and make me love you?  
Why'd you have to go and make me  
Why'd you have to go and make me love you?
