

# Jessica Folcker, To able to love

I won't make no commiments no  
I can't let myself just go  
as much as I want to my heart says no  
I'm sorry but I can't stay  
I hope that you'll forgive when I say

(chorus:)

Darling I  
Don't have a heart for you right now  
Somebody's playing with my mind  
But all I'm dreaming of is to be able to love  
I can't give you no guarantees  
If that's what you want from me  
I should have known better but now you see  
I'm sorry but I can't stay  
I hope that you'll forgive me when I say

(chorus)

All I want is treat you right but I know I can't pretend  
It will take just a little longer finding the key to love again
