

# Jessica Folker, Anywhere Is Paradise

Hey ahh

Some people got to live in a big city street  
So crowded and noisy they can't hear their heart beat  
Some need to stay in their own home town  
Others kinda, like to keep movin' around

But baby, I could live near or far  
Anywhere between here and some shooting star  
As long as I'm always where you are

'Cause anywhere is Paradise,  
when you're with the one you love  
Anywhere is a place that's nice,  
when you're with the one you dream of  
Anywhere is Paradise,  
when you're with a love that's true  
There's nowhere I'd rather be, baby,  
than anywhere with you

Some people want to be where the big money is  
Some want to be in Hollywood and showbiz  
Some got to be where they know what things mean  
others just want to be where they can be seen  
But baby, anywhere for me will do  
Anywhere between here and that far-off moon  
As long as I'm always there with you

'Cause anywhere is Paradise,  
when you're with the one you love  
Anywhere is a place that's nice,  
when you're with the one you dream of  
Anywhere is Paradise,  
when you're with a love that's true  
There's nowhere I'd rather be, baby,  
than anywhere with you

Your heart and mine go together,  
like hand and glove  
We've already found our forever,  
on earth as in heaven above  
So baby, anywhere will do for me  
'Cause where ever in the world we'll ever be,  
we'll always be in the land of love

'Cause anywhere is Paradise,  
when you're with the one you love  
Anywhere is a place that's nice,  
when you're with the one you dream of  
Anywhere is Paradise,  
nothing could be more true  
There's nowhere I'd rather be, baby,  
than anywhere with you

Anywhere with you, anywhere with you...  
Anywhere with you  
Anywhere with you, anywhere with you...
