

Jessica Mauboy, Because

It's all because,
I waited for so long, you showed me you were the one,
I gave you my heart, right from the very start so,
Every time you lied, I knew inside,
Get another chance, I was hurting, I was broken
I stayed too long and so that's why, you didn't think that I'd move on,
It's all because, I loved you, I held you, I believed you,
You're not what I needed, I'm stronger,
I'm better, without you, you'd thought I'd be in pieces,
Because (you thought I'd be in pieces), because, I loved ya, I loved ya, I loved ya
You gave me, just one thing, but taking from the beginning
You left me, a heart ache, how much more could I take,
With every alibi, that made me cry, I'd still gave you more,
I should've given up, when I had had enough,
But I stayed too long, that's why, you didn't think that I'd move on,
It's all because, I loved you, I held you, I believed you,
You're not what I needed, I'm stronger,
I'm better, without you, you'd thought I'd be in pieces,
Because (you thought I'd be in pieces), because, I loved ya, I loved ya, I loved ya
I made a mistake of giving me to you,
I made a mistake of loving you
