

# Jessica Mauboy, Because

It's all because,  
I waited for so long, you showed me you were the one,  
I gave you my heart, right from the very start so,  
Every time you lied, I knew inside,  
Get another chance, I was hurting, I was broken  
I stayed too long and so that's why, you didn't think that I'd move on,  
It's all because, I loved you, I held you, I believed you,  
You're not what I needed, I'm stronger,  
I'm better, without you, you'd thought I'd be in pieces,  
Because (you thought I'd be in pieces), because, I loved ya, I loved ya, I loved ya  
You gave me, just one thing, but taking from the beginning  
You left me, a heart ache, how much more could I take,  
With every alibi, that made me cry, I'd still gave you more,  
I should've given up, when I had had enough,  
But I stayed too long, that's why, you didn't think that I'd move on,  
It's all because, I loved you, I held you, I believed you,  
You're not what I needed, I'm stronger,  
I'm better, without you, you'd thought I'd be in pieces,  
Because (you thought I'd be in pieces), because, I loved ya, I loved ya, I loved ya  
I made a mistake of giving me to you,  
I made a mistake of loving you
