

# Jessica Mauboy, Running back

These days you barely even say my name  
Like you don't really feel the same  
I'm wondering what's to blame  
These nights I fall asleep wondering where you are  
It feels like we're falling apart  
And it's only breaking my heart  
Cause if being with you means being alone  
And never knowing when you're coming home  
Then I guess I'm better off on my own  
But I can't move on  
Cause that means forgetting, forgetting everything we've had  
Instead I keep coming, keep coming, I keep running back  
Cause I keep forgetting, forgetting you treat me so bad  
So I keep on coming, keep coming, I keep running back  
I keep coming back  
I keep running back  
I keep coming back  
I keep running back  
I keep coming back  
I keep running back  
I keep coming, I keep coming back  
My friends say that I should leave you behind  
And stop wasting all my time  
They tell me that I am out of my mind  
But I know that what we both share is real  
And I've been willing to deal  
With the way that you're making me feel  
Cause if being with you means being alone  
And never knowing when you're coming home  
Then I guess I'm better off on my own  
But I can't move on  
Cause that means forgetting, forgetting everything we've had  
Instead I keep coming, keep coming, I keep running back  
Cause I keep forgetting, forgetting you treat me so bad  
So I keep on coming, keep coming, I keep running back  
I keep coming back  
I keep running back  
I keep coming back  
I keep running back  
I keep coming back  
I keep running back  
I keep coming, I keep coming back  
Ma ma ma mama caught up

They might could be together  
They fight to be together

You say you don't need it  
Turn around and leave it  
Oh he back next week

And then the whole thing repeat like nothing ever happened
