

# Jessica Simpson, Everyday See You

Sometimes the breaks don't go my way  
Sometimes there's no good news today  
Sometimes it all just hits the wall  
Sometimes I think it's all my fault  
But I'm not stressing out  
You know I could be downtown lost in the crowd  
Without even  
One tiny ray of sunlight breaking through the clouds

But I got the sun when I need it  
I got the sun  
I got the moon  
I got someone I can talk to  
'Cause I get to everyday see you  
I got the sun  
I got the moon

Raindrops like ice cubes on the ground  
And a sound like people talking  
There's a lotta things trying to keep me down  
But I betta just keep on walking  
'Cause I'm not staying here  
I'm looking up and my forecast is clear  
You wrap me up in blue skies  
Whenever you are near

I got the sun when I need it  
I got the sun  
I got the moon  
I got someone I can talk to  
'Cause I get to everyday see you  
I got the sun  
I got the moon

I got my best friend  
Best that I ever had  
I got a nightlight  
Get me through when it gets bad  
Feels like angels following on my heels  
You are my sunshine

I got the moon  
I got someone I can talk to  
'Cause I get to everyday see you  
Baby, I get to everyday see you  
I got the sun  
I got the moon  
See you  
See you  
Get to see you  
See you  
See you  
Get to see you

See you  
See you  
Get to see you  
See you  
See you  
Get to see you  
See you  
See you  
See you  
Get to see you

Everyday  
See you  
See you  
Get to see you
