

# Jessica Simpson, Woman In Me

The face that I see it's the woman in me  
It's the woman that I wanna be  
The face that I see it's the woman in me  
It's the woman in me I see (I see)  
As I look in, look in the mirror I see  
Life is really here to be with me, oh  
I can see myself getting stronger everyday  
I'm not the same woman I used to be  
So now I tell myself I am thinkin strong  
I see the beauty lying within my soul  
The face that I see it's the woman in me  
It's the woman that I wanna be  
The face that I see it's the woman in me  
It's the woman in me I see (I see)  
When I love myself I can do whatever I want  
Doesn't matter what you do to me, do to me  
Honest people, there's a possibility  
To tell you my real reality  
The face that I see it's the woman in me  
It's the woman that I wanna be (I wanna be)  
The face that I see it's the woman in me  
It's the woman in me I see (woman in me baby)  
Can you see the woman in me  
Do you really wanna see the woman in me  
Hahaha, let me show you  
Don't underestimate the woman I become  
The woman I am  
So now I tell myself that I'm thinkin I'm strong  
And I see the beauty lying within my soul  
The face that I see it's the woman in me  
It's the woman that I wanna be (I wanna be) [x12]
