

# Jessie Daniels, It's No Wonder

I know why it's over  
and i know who's to blame  
i know that i'll never  
be the same

i know how much you loved me  
and how i loved you  
but where are all the answers  
i wish i knew  
cos everytime i think im moving on

i wonder what we were  
and i wonder where you are  
i wonder why i said that i could live without you  
i dont know where it was  
and i dont know who she is  
i dont know why i cant let go  
but it's no wonder

you cant say im not trying  
to get over you  
you never saw me crying  
now it's all i do  
there's a lot of memories  
i want to forget  
and maybe one day i will  
but i havent yet  
and everytime i think im moving on

i wonder what we were  
and i wonder where you are  
i wonder why i said that i could live without you  
i dont know where it was  
and i dont know who she is  
i dont know why i cant let go  
but it's no wonder

i dont know where it was  
and i dont know who she is  
i dont know why i cant let go  
but it's no wonder
