

Jessie J, Keep Us Together

It's cool we're feeling, got everything figured out
Cause love ain't got all the answers baby
This place we in, they don't ever really talk about it
But that don't mean we can't navigate it

It's unpredictable, but I feel so good about it
A mountain, but we can climb it
Ain't no way to get around it
Take this open road
And I wanna get it right
We can't win if we don't try
And I'm scared, I can't deny

Well, if it ain't enough
We just wanna give up?
It ain't easy tryna stay in love
Are we gonna walk out, when it rains?
Tell me we got enough of love to keep us together
Say we got enough of love to keep us together

Arguments, back and forth, disagreements, yeah
Can we make it up, make it right, can we fix it?
Cause it ain't always gon be perfect, baby
It's gon be crazy, we fight
I'm wrong, you're right, maybe, sometimes

Unpredictable, but I feel so good about it
And mountain, but we can climb it
Ain't no way to get around it
Take this open road
And I wanna get it right
We can't win if we don't try
And I'm scared, I can't deny

Well, if it ain't enough
We just wanna give up
It ain't easy tryna stay in love
Are we gonna walk out, when it rains?
Tell me we got enough of love to keep us together
Say we got enough of love to keep us together

Say we got enough, say we got enough, of our love, of our love [x3]
Say we got enough, say we got enough, of our love

Well, if it ain't enough
We just wanna give up
It ain't easy tryna stay in love
Are we gonna walk out, (no no) when it rains?
Tell me we got enough of love to keep us together
Say we got enough of love to keep us together

Say we got enough of our love to keep us together
Say we got enough of our love to keep us together
Together, together [x4]
