

# Jessie J, Silver Lining (Crazy Bout You)

Call me crazy

In a world when no one,  
no one understands  
It's good to finally find someone,  
someone who can  
You know me  
Better than I know myself  
Don't care what they say,  
don't care what this world thinks  
We got eachother  
That's all we need  
And you show me  
I don't need nothing else

Call me crazy  
Call me a fool, oh  
Call me crazy  
Maybe it's true  
But I'm crazy bout you  
Crazy  
I'm crazy bout you  
I'm crazy  
I can't help it, help it, oh  
Nothing I can do  
I'm crazy, crazy bout you!  
Crazy, crazy, crazy, crazy  
And I love it  
Coz I know, you're crazy bout me too

When I lose my mind  
When I'm a total mess  
I stop cos you still think  
I'm the best  
And I love you  
Even when you are a wreck

Call me crazy  
Call me a fool, oh  
Call me crazy  
Maybe it's true  
But I'm crazy bout you  
I'm Crazy  
I'm crazy bout you  
I'm crazy  
You're my silver lining  
You make the light come through  
I'm crazy  
Crazy bout you  
(Crazy bout you x4)  
And I love it  
Coz I know, you're crazy bout me too

And when this world tries to tear us down  
They never will, They'll never break us apart  
Coz they ain't crazy at heart

Call me crazy  
Crazy bout you  
I'm crazy  
I'm razy bout you  
I'm crazy  
I can't help it, help it  
Nothing I can do

I'm crazy, crazy bout you  
And I love it coz I know  
But I'm crazy bout you  
I'm crazy  
I'm crazy bout you  
(I'm crazy crazy crazy bout you baby,  
crazy crazy crazy bout you baby)  
You're my silver lining  
You make the light come through  
I'm crazy  
Crazy bout you  
And I love it  
Coz I know you're crazy bout me too
