

# Jessie Murph, Always Been You

Sometimes I feel like it's one-sided  
Like some type of unrequited love  
I keep it dark, I keep it quiet  
But then you come around and light me up

Usually, I ain't the type to stay up all damn night  
Thinkin' 'bout someone else  
It's hard to be fine when your heart's on the line  
And the truth is I'm goin' through hell

'Cause in my head  
It's always been you  
Heart in my hands  
Hopeless 'cause no one can take it from you, you  
I tried rewriting this hundreds of times  
But if it ain't you, it's a lie  
Yeah, in my head  
It's always been you, you

I been trippin', I been slidin'  
I'm underwater like Poseidon  
Takin' up space like a hyphen  
You're on my mind and I can't fight it, yeah  
Sick of playin' games with myself  
Sick of playin' like there's someone else

'Cause in my head  
It's always been you  
Heart in my hands  
Hopeless 'cause no one can take it from you, you  
I tried rewriting this hundreds of times  
But if it ain't you, it's a lie  
Yeah, in my head  
It's always been you, you

Usually, I ain't the type to stay up all damn night  
Thinkin' 'bout someone else  
It's hard to be fine when your heart's on the line  
And the truth is I'm goin' through hell
