

# Jessie Murph, Upgrade

Baby, that ain't an upgrade  
No way in hell, but you tried, babe  
That bitch is crazy  
And y'all gon' have some ugly-ass babies  
If you think that's an upgrade  
You must be out of your mind, babe  
You must be crazy  
If you think you could ever replace me

Oh, my God, I can't believe you fell for a fake  
I know that bitch, she's on my dick, been tryna take my place  
One step in my stilettos, she gon' fall right on her face  
Oh, she like the dirt 'cause she been diggin' her own grave  
I never asked who you were callin'  
And I gave you trust like it was common  
But you had one too many gin and tonics  
Hope it got you what the fuck you wanted

Baby, that ain't an upgrade  
No way in hell, but you tried, babe  
That bitch is crazy  
And y'all gon' have some ugly-ass babies  
If you think that's an upgrade  
You must be out of your mind, babe  
You must be crazy  
If you think you could ever replace me

Sayin' that you're fuckin' with this but you're fuckin' with that  
Got your bitch all on my tits 'cause she wants what I have  
She can have what I had, she can go through all my trash  
'Cause I'm over it now, I don't want you back

Baby, that ain't an upgrade  
No way in hell, but you tried, babe  
That bitch is crazy  
And y'all gon' have some ugly-ass babies  
If you think that's an upgrade  
You must be out of your mind, babe  
You must be crazy  
If you think you could ever replace me

Yeah  
Yeah, oh-oh  
Baby, that ain't an upgrade
