hi my name is 6lack  
and sometimes people call me 6-lack  
I don't mind because they stubborn  
and my bank account is looking might fine  
we can skip the wine and dine  
go straight for the wind and grind  
she wanna come I can make her happy trying  
something I get messy you can be my biggest secret  
I ain't sliding if you're wit him  
you gon' have to leave him I got morals  
on Sunday  
something on Wednesday  
really it depends  
but you

you are in love with somebody else  
maybe I could offer some help

get over them by getting' under me  
might OD if you get too much of me  
OD if you get too much of me

hi my name is not important  
I'm not from her, I'm important  
I drink liquor like it's water  
hope my liver can afford it  
I've been lying here but  
I've been lying  
I've been lying  
I'm under the covers  
like what happened here ain't nothing scared  
expletive that got me expletive  
up is I know that dude just saw me naked  
nice than a broken heart  
but who'da thought it'd take me ages  
I ended up here cuz my girl said fake it till you make it  
you are in love with somebody else  
maybe I could offer some help  
get over them by getting' under me
