

Jessie Reyez, LOVE IN THE DARK

we're only humans floating on a rock
but I think that you are made of stardust
unconditional, you put up with so much
I could never repay the way you love
back to the sky
we all have to fly back home
back home
the sweetest goodbyes are never whit smiles at all

but when our lives are running out
and your heartbeat has taken the draw
could you try to look around?
I'll be there to pull you back up
I'll be around you
I am nothing whiteout you
I won't leave you alone
cause when the stars are falling down
there's love in the dark

I'll be there
I'll be there
there's love in the dark
I'll be there
I'll be there
