

# Jessie Ware, Imagine It Was Us

I should know better than to wait for you  
if I leave, well it's no better, so I'll wait for you  
I don't know if this is wrong, but it's encrypt into my mind  
I don't know if this is love, but I think it's worth a try  
Could it be, ? fantasy  
Could it be? I see clear to keep

Are you waiting for something  
(Imagine it was us)  
Tell me, would you wait all night  
Are you thinking about me  
Like I do, I do  
I would wait all night, all night  
I would wait all night

There must be a reason why it has to be you  
You and me, we need to make it, so it's just us two

I don't know if this is wrong, but it's encrypt into my mind  
I don't know if this is love, but I think it's worth a try  
Could it be, ? fantasy  
Could it be? I see clear to kee?

Are you waiting for something  
Tell me, would you wait all night  
Are you thinking about me  
Like I do, I do  
I would wait all night,

Are you waiting for something  
(Imagine it was us)  
Tell me, would you wait all night  
Are you thinking about me  
Like I do, I do  
I would wait all night,  
If it takes all night  
If it takes all night  
If it takes all night  
It's alright with me  
Alright with me
