

Jester's Funeral, Hands of Time

music by Stefan Schmidt & Bastian Emig, lyrics by Stefan Schmidt

See me try to say: "Come and embrace me." My fantasy it will make me carry on. What
I am born in a different world. I am born in an older place, somewhere beyond. I am born in a differ
I have seen the end: Black and eternal it lay there in front of me. I turned around and left this ugly p
From the icy lakes I escaped and I reached this final place. This is not how it was meant to be...
